- 3. To be independent and responsible.*
- 4. To be proud of his/her school and consequently be punctual, have self-respect and respect for co-learners, educators and all adults.*
- 5. To be loyal to our school, our community and our country.*

Our Vision

- 1. To educate learners according to a system of values based on religious and honourable principles.*
- 2. To cultivate a positive culture of learning at school.*
- 3. To guide the learners to self-pride and self-respect.*
- 4. To serve as an educational institution for the broad community.*
- 5. To develop learners in their totality so that they can develop to their full potential.*
- 6. To present the principles of equity and transparency as ethical codes to be followed faithfully.*
- 7. To create a positive learning environment which will lead to the development of the full potential of learners.*

Our Mission

- 1. To practice quality and professional education in a caring and compassionate manner.*
- 2. To present to the learners an example to follow by the educators.*
- 3. To prompt learners to greater heights by positive encouragement.*
- 4. To make our facilities available to the community for development purposes.*
- 5. To maintain and assert the principle of honesty through our example.*
- 6. To establish a pleasant environment which would contribute to effective communication.*
